

SMALL TABLE CLOCK,

Baroque, Southern Germany, 18th century.

Wooden case, painted to look like black marble and with remains of paintwork. Brass ornaments, such as Diana, hunters with dogs and falcons and scrolls. Metal frontispiece with copper chapter ring, with a small relief featuring Adam and Eve in Paradise, with a snake moving around. Movement with verge escapement, striking the hour on bell (can be switched off).

25x10x33 cm.
