This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been inspected using the techniques and equipment used by GIA at the time of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, country of origin or source, or that the diamond will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word, or symbol which is identified by GIA or which is identified in this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist about the information contained herein.
