KEY TO SYMBOLS

- Cloud
- ~ Feather
- Extra Facet

Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of facets are not shown.

This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after a face down pocket test, mounted and analyzed by the laboratory grading this Report ("GIA") and/or has been created using the techniques and equipment used by GIA in the area of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, quantity of origin or source, or that the diamond will be suitable for the purposes in the future. Some inclusions may be removed. GIA makes no representation concerning any treatment, wear, or repair which is described by GIA or which is identified on this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist about the information contained herein.
