Rahmung.

Provenienz: - Antoine-Joseph Dezallier d'Argenville,  
Paris, Lugt 2951 - Sammlung Thomas Lawrence

(1769-1830), London, Lugt 2445 Möglicherweise handelt es sich bei dem Kopisten der Zeichnung um Pierre Scalberge (1592-1640), dessen Gemälde sich stark an die Zeichnung von Niccolo dell' Abbate anlehnt. Die Originalzeichnung befindet sich heute in der Sammlung des British Museum in London. .  
Pierre Scalberge was a French visual artist who was born in Circa 1592. Several works by the artist have been sold at auction, including 'Venus and Amor' sold at Dorotheum 'Master Drawings, Prints before 1900, Watercolours, Miniatures' in 2013. The artist died in 1640.
