This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been modified using the techniques and equipment used by GIA at the time of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, quantity of weight or nature, or that the diamond will be identifiable by the inscription in the future (since inclusions can be removed). GIA makes no representation concerning any trademark, work, or symbol which is modified by GIA or which is described in this Report. The recipient of this Report may wish to consult a certified jeweler or gemologist about the information contained herein.
