Important Note: The conclusions in this Test Report reflect our findings at the time it is issued. Mounting may limit complete analysis of a gemstone or pearl, thus all conclusions are given as far as the mounting permits. The authenticity and colour authenticity of the additional diamonds in the setting have not been tested. The indicated calculated weight is only approximate and may differ from the exact weight of the gemstone/pearl when unmounted. A gemstone or pearl can be modified and/or enhanced at any time. Therefore, the SSEF can reassess at any time whether the gemstone or pearl is in accordance with this Test Report. Only the Test report with the valid original signatures, embossed stamp and Proof Tag™ label affixed on to the surface of the laminated Test report is a valid document.
