This Report is not a guarantee, valuation or appraisal and represents only the observations of the diamond described herein after it has been graded, tested, measured and analyzed by the laboratory providing this Report. (100) points have been marked using the reference and alignment grid by GIA at the base of the inscription table on the pavilion. Inscriptions reported in this document are not a guarantee, valuation or warranty of a diamond's quality, purity of color or weight, or that the diamond will be identifiable by the inscriptions in the future (once inscriptions can be viewed). GIA makes no representation concerning any trademark, trade or service mark as recorded by GIA or which is included in this Report. The recipient of this Report may wish to consult a qualified jeweler or gemologist about the appropriate contract terms.
