KEY TO SYMBOLS:

- Crystal
- Feather
- Pinpoint

Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols show inclusion type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of Mohs are not shown.

This Report is not a guarantee, valuation or appraisal and contains only the description of the diamond described herein after it has been graded, sorted, examined and analyzed by the laboratory issuing this Report ("GIA") and/or has been inspected using the techniques and equipment used by GIA at the time of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation or warranty of a diamond's quality, identity of origin or source or that the diamond will be available to the consumer in its future (unless otherwise specified). GIA makes no representation concerning any trademark, word or symbol which is included by GIA or which is included on this Report. The support of this Report may vary in content, a substituted grade or percentage about the information contained herein.
