KEY TO SYMBOLS

Extra Facet

Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of finish are not shown.

This Report is not a guarantee, valuation or appraisal and conveys only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") under the best available conditions and the techniques and equipment used by GIA at the time of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, clarity or origin or source, or that the diamond will be available by the transaction in the future. Some inclusions may be removed. GIA makes no representation concerning any treatment, wear or further work as executed by GIA or which is identified in this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist about the information contained herein.
