#### VERDURE TAPESTRY

Aubusson, 18th century.

Depicting a wide wooded landscape with birds.

180 x 225 cm.

Restorations. Due to the missing borders, the tapestry could have served as the covering in a boiserie. However, it is also conceivable that it is a fragment cut from a larger tapestry.

CHF 2 000 / 3 000

€ 2 060 / 3 090
