

Ulysse Nardin, "Freak Carrousel Tourbillon", 2009.

White gold 750.

D 44.5 mm.

This extraordinary timepiece was developed by Dr. Ludwig Oechslin and realized by Ulysse Nardin. "Freak" is the appropriate name, since everything - from the movement to the case - has been redesigned in a radical manner: the dual-direct escapement, the winding via the caseback and the hand positioning via the bezel. Provenance: From an exceptional Swiss collection. Reference No: 020-81 Case No: 113 Dial: Blue dial, the hour arrow is positioned on the movement, the minute arrow is applied to the gear-train bridge. Movement: Hand-wound movement, Carrousel Tourbillon
