Patek Philippe, very attractive World Time Chronograph, 2017.

White gold 750.

D 39.5 mm.

Technically highly-interesting Gentleman's watch in near mint condition. As a first in the permanent Patek Philippe Collection, the World Time Chronograph combines two complications that are regarded as particularly typical of Patek. The vertical clutch, which generates very little friction, makes it possible to use the chronograph hand as a permanent second hand, if desired. Reference No.: 5930G-001 Case No.: 61775XX with screw-down exhibition back Dial: Blue, engine-turned dial, with world time and chronograph with minute sub-dial Movement: Automatic
