(XIX)

Portraits, probably Switzerland, c. 1850-1860. 5 original photographs.

Partly hand-coloured daguerreotypes.

1 quarter plate with rounded window approx. 7 × 9 cm; 4 sixth plates, 3 of which with rounded windows and 1 with oval window, approx. 7.5 × 6 cm each.

3 in gold frames of the period.

4 photographs slightly oxidised at the edges, partly with slight scratch marks, each in old mounting, probably unopened, some with small losses or tears in the mount. Nevertheless, overall in good condition.
