G. Zeileis *Più ridon le carte* (3.ed.), Rauris 2014, pp. 256-257. This initial V rendered in luminous bright colours, opens the sequence for the Easter Festival. For Giovanni di Paolo, the moment of greatest recognition as an illuminator came in 1445 when he received the prestigious commission to collaborate on the illustration of the splendid edition of the works of Dante for King Alfonso of Aragon (1398-1458). This Sienese artist was assigned the work of illuminating the 33 Canti for the Paradiso of the manuscript of Dante's *Divina Commedia*, now held at the British Library (MS Yates Thompson 38).
