REMBRANDT HARMENSZ VAN RIJN

(Leiden 1606 - 1669 Amsterdam)

Jan Uytenbogaert, preacher of the Remonstrants. 1635.

Etching on laid paper with watermark: cap and bells (fragment)

22.3 x 17.7 cm (the upper half cut to the outer line).

Bartsch 279; The New Hollstein (Hinterding/Rutgers) 153 VI (of IX). - Fine, clear and even impression. The upper half cut to the outer line to over half way, so that the signature and date are missing. The laid paper with old restoration. The lower margin cut to the plate edge, the lower corners not cut. A few handling traces. Verso a few thin spots. Still in overall good condition. Provenance: - ETH Zürich graphic
