

FRANS FRANCKEN THE YOUNGER (WORKSHOP)

(1581 Antwerp 1642)

Floral still life, with a large bouquet of flowers in a vase on a stone table.

Oil on panel.

73 x 50 cm.

After carrying out an examination on the basis of a photograph, Dr. Fred G. Meijer has indicated that the present still life was created in the workshop of Frans Francken the Younger, for which we would like to thank him. Experienced still-life painters were active in the workshop of Frans Francken the Younger, including Andries Daniels (ca. 1580-1640), to whom this painting was attributed in the past.
