

Sequence of images depicting the legend of Saint Meinrad. The composition is arranged in the shape of a cross with a central cartouche divided into four parts, one side with the figure of Saint Meinrad, the other side with the figure of Saint Anne. The top of the panel features scenes of martyrdom and torture. One beam of the cross is inscribed: Von S. Meinrats L[x]en stuckli 1509.

€ 1 030 / 1 550
