(XX)

Chile-Bolivia, construction of a railway line, c. 1960. 125 original photographs.

Gelatin silver prints on PE paper. Probably somewhat later prints.

Image dimension approx. 11.7 ×19.4 cm; sheet size each approx. 20 × 13 cm (vertical and horizontal formats).

Showing visits and groundbreaking by politicians, construction workers, rallies, structures, construction cranes, transfer of goods, construction of halls, etc., partly in duplicates. Curved, browned or faded, partly with more prominent development marks, somewhat scratched, partly with light creases and bumped areas. Overall fair condition.
