LOVAT'S GHOST on PILGRIMAGE.

*Accursed thou art, a hypocrite of Hell! A damned spirit of Crime and Tyranny to man! Whose bloody murders ring: Koller's hand,
My hand! And murder of Blacklock's head! With many a Righteous Soul, and Righteous Name! But Justice will deliver them from thee.*

*The original engraving from which this is a facsimile was added to the collection of 80 printed by David Wilson an engraver friend
of DUNSTON from whose hands he received it from John the son of Lord Lovat with the permission of all things his own right.*
